Your partner for communications in the office.

Fast, easy to use and multifunctional: if you are looking for rapid transfer of documents then the FAX 942 laser fax is 'spot on' for you! This communications whiz kid handles data at a speed of 33.6 kbps, or one page every two and a half seconds. FAX 942 is especially clever with the Internet, sending faxed or scanned documents directly as e-mails. In addition to a 35 sheet paper capacity, useful one-touch dialling, a large fax memory and a directory for up to 500 numbers and e-mail addresses, FAX 942 comes with a wide range of other features that makes faxing fun and easy.

The FAX 942 is a top performer when it comes to efficiency and multifunctionality. The all-rounder can print or copy 20 pages a minute in the highest quality. And the integrated scanner can digitise documents in a flash, allowing you to send them as TIFFs, JPEGs or PDFs.

The FAX 942 is manufactured in accordance with the requirements of the ENERGY STAR Program.
